# Novità: tessile Tognana con fibre riciclate

Accanto alle celebri linee tavola, Tognana presenta la nuova collezione di prodotti tessili per rispondere alle esigenze di un consumatore sempre più esigente e ricercato. Tutta la gamma è realizzata seguendo una filosofia eco-friendly nella scelta della materia prima per la produzione. Molte delle nuove linee tessili sono prodotte infatti con il miglior **cotone riciclato**, ottenuto mediante scarti di lavorazioni, a cui si aggiungono una parte di fibre rinforzanti. Con questo processo di recupero è possibile risparmiare una

grande quantità di acqua e ridurre l'utilizzo di sostanze chimiche durante il ciclo produttivo, con beneficio per l'eco-sostenibilità, garantendo una **qualità del prodotto** eccelsa. Colori testati per non stingere, fitta tessitura e il rispetto delle normative europee, completano le caratteristiche dell'offerta. I decori dai cromatismi e stampe variegati sono pensati per creare **proposte originali e coordinabili ai servizi tavola**. La nuova linea tessile firmata Tognana unisce tradizione e innovazione in un unico, pregiato prodotto.

# New: Tognana textile with recycled fibers

Alongside the renowned table lines, Tognana introduces a new collection of textile items to meet the needs of an increasingly demanding and sophisticated consumer. The entire range is created observing an eco-friendly philosophy in the choice of raw materials for manufacturing. Many of the new textile lines are produced with the best **recycled cotton**, which are obtained from processing waste, to which a fraction of reinforcing fibres are added. Using this recycling process, large quantities of water can be saved and the

use of chemical substances during the manufacturing cycle reduced. This hugely benefits eco-sustainability and guarantees **excellent manufacturing quality**. Colours tested to prevent fading, dense weaving and compliance with European standards are also included in our product ranges. The decorations using variegated colours and prints are designed to create **original, coordinated items for table service sets**. The new Tognana textile line combines tradition and innovation in a unique, exquisite product.
